Dear Dr. Rex:

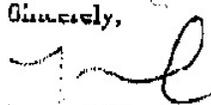

I would like to thank you for inviting me to be a guest at the "2003 Charity Concert for Adoption"; unfortunately I am unable to attend.

Not one single baby should be thrown in a garbage pail. Thanks to Mr. Tim Jaccard, Founder and Director of the Children of Hope Safe-Haven Program, many babies have been saved from this tragedy.

Young mother's-to-be are so frightened when they are facing pregnancy alone. The Safe Haven Law allows these young women the safety and anonymity of abandoning their unwanted newborns at a hospital emergency room and the newborns a chance to live.

Again, thank you for your commitment to promoting safety and permanency for our tiniest citizens.

Sincerely,

Jeanne Milstein
